

MHS Parade & UD Championship Football, Saturday, December 2, 2017

All, we have a few challenges with our schedule Saturday that we will overcome by following these few extra steps. All parade and game volunteers and parent spectators on hand, please help us. Use the attached map for extra guidance.

We need to get on the road quickly to the game and roads will be closed, so we need to rendezvous well outside the parade route. We've chosen the Lowes parking lot. **All Football Game volunteers riding the buses; you need to be at the Lowes parking lot by 10:30. Be aware of road closures and give yourself plenty of time.**

- ***Immediately*** following the parade, as the band turns left from 299 to South Scott Street (if previous years are any indication)
 - Assemble the band, keep them together and escort them through the small access road from South Scott through Woodward's Lawn Equipment parking lot back onto 299 briefly to cross the railroad tracks.
 - Station yourselves at the tracks and intersections marked with red "X" to be sure they move quickly and safely.
 - Once across Industrial Road, turn left and then right to use the path to the small Lowes parking lot.
- Our trailers will already be there waiting to be reloaded. Quickly.
- A pizza lunch will also be waiting for everyone to eat. Quickly
- Three school buses will also be there waiting. Chaperones, please have the bus rosters ready to take attendance quickly and get moving.
- We will then caravan out of the west entrance onto 301 & head to UD. Bus and trailer parking will be around back off of Chestnut Hill Rd. Spectator parking is at the front entrance on South College Ave.

Volunteers riding the buses, the buses will be returning us after the game to MHS, not Meredith or Lowes. Please make your own arrangements to gather your cars.

Band! Remember, you are turning in your uniforms when we return to school. Racks will be waiting. Follow instructions you've already been given about garments bags and items in them. Thanks!
